AIA Flint

$50,000 GOAL

THANK YOU
SCHOLARSHIP FUND DONORS

The newly created American Institute of Architects Flint (AIA Flint) Scholarship Fund through The Community Foundation of Greater Flint will fund the established AIA Flint Donald E. Lee Architecture Scholarship to support local students pursuing a degree in architecture. The goal with this fund is to raise the donation to $50,000 in order to become endowed. Since the inception of the scholarship in 2012, AIA Flint has awarded $48,500.00 in scholarships to 30 recipients. Endowing a fund ensures that generation after generation continues to have access to this scholarship and the legacy of AIA Flint lives on.

MONEY RAISED UP TO $10,000 WILL BE MATCHED BY:
